

# USED NestaFlex® Flexible Gravity Conveyor

**24" wide conveyor width**

**6'-8" - 23'-2" conveyor length (closed vs. open)**

**175 lbs. capacity per linear foot**

**28" to 36" adjustable conveyor height**

**Like New Condition**

**Sells New for \$1,200.00**

## Features:

**Self Tracking** - Cartons follow the conveyor path without using engineered curves.

**Adjustable Height** - Simply turn the locking knob to raise and lower the conveyor bed height.

**Structural Steel Support** - Channel steel spans the entire conveyor width for unequalled strength.

**Side Plates** - 7-gauge, zinc-plated steel side plates. Assembled with 5/16" steel axles and lock nuts.

**Casters with brakes** - 5" x 1 1/2" swivel casters roll easily. Caster brakes lock both wheel and swivel while the conveyor is in use.

**1-1/8" Round Tubing Legs** - Heavy duty round tubing legs for longer service life.

**\$600.00**

**(as of 5/20/09, 3 available)**

**FOB - Charlotte, NC 28205**
